

DIOCESE OF ROCKVILLE CENTRE  
OFFICE OF FAITH FORMATION

# Fuzzie wants to visit your parish!

The Diocese of Rockville Centre, in its efforts to educate young children and their parents about the importance of safety, has created a fun and informative program specifically for first grade children in our diocese.

Entitled "Fuzzie", this project is a joint effort between the Office of Protection for Children and Young People, the Office of Education, and the Office of Faith Formation to initiate a dialogue that will encourage parents to increase the awareness of their children and assist in developing the skills necessary for personal safety. Fuzzie is a likable character that both

children and parents can be comfortable with as a tool to discuss this important and sensitive subject in a non-threatening manner.

If you need assistance to implement this into your program, the Office of Faith Formation encourages you to contact Eileen Conneely, a former primary school teacher and Director of Religious Education. To request copies of the Fuzzie program, please contact Eileen Puglisi, Director for the Diocesan Office for the Protection of Children and Young People at [epuglisi@drvc.org](mailto:epuglisi@drvc.org) or 516-678-5800 Ext 573.
