FOCUS ON INITIATION: PRECATECHUMENATE

*in partnership with The North American Forum on the Catechumenate
is coming to the Diocese of Rockville Centre, New York!
June 1-2, 2007*

Participants look at evangelization, discernment, catechesis appropriate for the period of the precatechumenate, and the events that lead to the celebration of the rite of acceptance. They gain a clear vision of the major activities of this period and how best to engage in these activities. They will share questions, answers, and insights with the team and other participants.

Participants at most institutes include:

RCIA coordinators, liturgists, pastoral musicians, pastors and associates, catechists, Catholic school principals and teachers, members of the catechumenate team and sponsors. Some are paid staff members, many are parish volunteers.

The registration brochure will soon be online.
Access Forum's website at www.naforum.org for online registration
and a downloadable copy of the brochure.

I am interested in the PreCatechumenate Institute. Send me a registration brochure when it becomes available. (Please return to the address below.)
