"This special place on the water has been a great source of strength and peace to the people who visit.

In addition to the Retreat House, Cormaria's many gardens provide havens for prayer and rest. At Cormaria, every season brings a new sense of beauty and calm.

Those who come to Cormaria look for direction and a closer connection to their spiritual lives while others simply seek spiritual refreshment and quiet contemplation with God.

The Religious of the Sacred Heart of Mary serve as the Cormaria Staff, expressing the mission of our community in our ministry of hospitality to all who spend time with us."
