

We are pleased to offer a Sensory-Friendly Mass at 3 pm on the second Sunday of the month, so families who have children with special needs can attend Mass together! We provide a monitored space set up with various items to

help facilitate an easier experience for you and your family. The first mass will take place on January 14 in the basement of the rectory. Since space is limited if you plan to attend, we would appreciate if you would contact Rachel and let her know. Email: [rachcaz@gmail.com](mailto:rachcaz@gmail.com); phone: 631-521-1425.
