*Registration required – Please call Erin McHugh at 631-828-7631*

Good Shepherd Hospice offers a FREE, professionally run, 8-week bereavement program for children ages 5-17 years old & their caregivers who have experienced a death of a loved one.

- Children engage in therapeutic activities that encourage emotional healing, increase understanding, development of healthy coping skills and preservation of memories.
- Adult caregivers attend their own concurrent support group, where they will learn about the nature of their child's grief and how to best support them as well as themselves.
