

The Gospel of John in Liturgy

*The Unending Symphony Liturgy Series
continues with*

Rev. Msgr. Andrzej Zglejszewski

*Open to anyone interested in or actively
serving in liturgical ministry!*

The basic objective of the course will be to explore the importance of the Johannine Scripture in Liturgical celebrations and Christian spirituality. Critical analysis of the composition and authorship of the Gospel will be fundamental in exploring crucial characteristics and questions in Johannine theology:

- Christology
- Ecclesiology
- Sacramentalism
- Eschatology

The texts, with careful exegesis, will be placed in the context of their significance in deeper understanding and appreciation of liturgical celebrations, catechetical insights and sacramental practice.
